26 ALL ACTIONS.)

27 PLAINTIFFS' OPPOSITION TO
28 DEFENDANTS' MOTION UNDER CIVIL
L.R. 7-3.(D) TO FILE RESPONSE TO
PLAINTIFFS' REPLY MEMORANDUM IN
SUPPORT OF CLASS CERTIFICATION

JUDGE: Hon. James Ware
DATE: December 15, 2008
TIME: 9:00 a.m.
CTRM: 8-4th Floor

1 **I. INTRODUCTION**

2 In an attempt to have the last word less than two weeks before the scheduled hearing on
3 Plaintiffs' motion for class certification, Apple asks the Court permission to file additional briefing
4 by disingenuously framing certain of Plaintiffs' arguments as "new" and claiming Plaintiffs have
5 "misstated" Apple's position with respect to the Section 2 claims. Apple contends that its additional
6 briefing "will assist the Court in evaluating the parties' arguments and will permit a more efficient
7 presentation of the issues [at] the hearing." Apple's Mot. for Leave at 1. Quite to the contrary,
8 Apple's "response" presents redundant merits arguments which are of no use to the Court on a
9 motion for class certification and are entirely improper.

10 The filing of additional memoranda may be permitted in certain circumstances "where a valid
11 reason for such additional briefing exists." *Hill v. England*, No. CVF05869RECTAG 2005 WL
12 3031136, at *1 (E.D. Cal. Nov. 8, 2005); *see also* Civil L.R. 7-3.(d) ("[O]nce a reply is filed, no
13 additional memoranda, papers or letters may be filed without prior Court approval."). But where, as
14 here, the moving party merely reiterates arguments made in their opening brief, additional briefing
15 by the opposing party is not permitted. *See id.*; *see also Edwards v. Toys "R" Us*, 527 F. Supp. 2d
16 1197, 1205 n.31 (C.D. Cal. 2007). The arguments made by Plaintiffs in their reply brief are certainly
17 not "new" but instead appropriately respond to arguments raised by Apple in its opposing brief and
18 reinforce the arguments Plaintiffs made in their opening brief.

19 Accordingly, this Court should deny Apple's motion to file additional briefing.

20 **II. PLAINTIFFS DO NOT PRESENT ANY "NEW" ARGUMENTS IN THEIR**
21 **REPLY BRIEF THAT WOULD NECESSITATE ADDITIONAL**
22 **BRIEFING BY APPLE**

23 In its "response" memorandum, Apple once again improperly attempts to place the merits
24 issue of "burning and ripping" before the Court at the class certification stage. In its opposing brief,
25 Apple repeatedly contends that "burning and ripping" presents a viable alternative to consumers who
26 wish to purchase a competing player. *See* Apple's Opp. at 1, 2, 6, 8-11, 17. In response, Plaintiffs
27 assert that issues concerning burning and ripping, including its legality and whether it is a viable
28 alternative, are merits issues common to the class that do not defeat class certification. Pltf's Reply

1 at 7. Indeed, Apple’s “response,” arguing the merits of burning and ripping, demonstrates that this is
2 in fact a merits issue common to the class. Additional briefing on this issue is thus entirely improper
3 and unnecessary.

4 Apple also contends that Plaintiffs allege a “new argument, [citing] *N. Pac. Ry. Co. v. U.S.*,
5 356 U.S. 1, 5-6 (1958), for the proposition that a tie can consist of a requirement that the customer
6 not purchase the tied product from any other supplier.” Apple’s Response at 2. This is incorrect and
7 a complete waste of the Court’s time. In their reply, Plaintiffs cited *Northern Pacific Railway* to
8 support their argument that Apple’s unremitting policy – permitting only iPod owners to directly
9 play iTunes audio and video downloads – precludes customers from purchasing portable digital
10 media players other than an iPod. Pltf’s Reply at 5-6. Plaintiffs made this argument in their opening
11 brief. Citing *Northern Pacific Railway*, Plaintiffs stated, “[t]here is no question here that under
12 Apple’s ‘unremitting policy’ of applying FairPlay to the online recordings, buyers may not exercise
13 free choice in choosing a portable digital media player” Pltf’s Open. at 16. Thus, Apple’s
14 attempt to reframe Plaintiffs’ arguments in an effort to provide further briefing to the Court is not
15 well-taken and should not be countenanced by the Court.

16 But, Apple takes it one step further. Failing to provide *any* justification, including even an
17 effort to reframe Plaintiffs’ arguments as “new,” Apple simply makes its own additional arguments
18 regarding coercion by rearguing the facts and holding of a particular case. Apple’s Response at 2-3.
19 In fact, Apple already raised these arguments in its opposing brief. *See* Apple’s Opp. at 16.
20 Accordingly, consideration of Apple’s further argument regarding coercion should be denied
21 entirely.

22 **III. NO ADDITIONAL EXPLANATION OF APPLE’S OPPOSITION TO**
23 **PLAINTIFFS’ SECTION 2 CLAIMS IS NEEDED**

24 Nor do Plaintiffs “misstate” Apple’s position with respect to certification of Plaintiffs’
25 Section 2 claims. Plaintiffs merely contend that Apple’s summary arguments do not amount to a
26 valid opposition to class certification of these claims. Indeed, Plaintiffs stated, “[b]ecause all the
27 elements of Plaintiffs’ monopolization claims are subject to common proof, and *because Apple has*
28 *not offered any substantive argument in opposition to the motion to certify these freestanding*

1 **counts**, Plaintiffs' motion for class certification should also be granted with respect to their Section 2
2 monopoly claims." Pltf's Reply at 12 (emphasis added). Plaintiffs are free to make arguments in
3 their reply based on their interpretation of Apple's briefing without opening the door to sur-replies.
4 And, certainly the Court is fully capable of reading the parties briefs and understanding the
5 arguments without officious "assistance" from Apple.

6 **IV. CONCLUSION**

7 For the foregoing reasons, the Court should deny Defendants' Motion Under Civil L.R. 7-
8 3.(d) to File Response to Plaintiffs' Reply Memorandum in Support of Class Certification.

9 DATED: December 4, 2008

Respectfully submitted,
